Group Introduction

Introduction – Factories & Office

Sunstrong International Industrial Ltd. (Hong Kong)

Established:1984

Address:Flat 5-9,10/F,
Wing Hing Industrial
Building, No83-93
Chai Wan Kok
street,Tuesn Wan,N.T,
Hong Kong.

Sunstrong Dongguan Electrical & Mechanical Co.,Ltd

Established:1994
Land area:26,000m²
Employee:3200

Address: Sunstrong
Industrial Zone, Sicun,
Tangxia, Dongguan,
Guangdong, China

Yi Li Sha Metal Products Co. Ltd. Dongguan

Established:2004
Land area:52,000m²
Employee:1100

Address: Hongyuan
Road, Shigu, Tangxia,
Dongguan,
Guangdong, China

Gaoli factory, Dongguan

Established:2007
Land area:5,000m²
Employee:1300

Address: Gao Li
Science and Technology
Zone, Tangxia,
Dongguan, Guangdong,
China

Group Introduction

Introduction – Factories & Offices

Kunshan Electrical & Hardware Co.Ltd .

Established:2016
Land area:75,000m²
Employee:500

Address:Meifeng road,
Yushan, Kunshan,
Jiangsu, China.

Shenzhen Shun Yue Industrial

Established:2003
Land area:10,000m²
Employee:200

Address:3rd Industrial
park, Bitou,
Songgang , Shenzhen,
Guangdong,China .

Singapore office

Established:2003

Address:30/F,
Singapore Land Tower

Japan office

Established:2017

Address:Mg Meguro
Ekimae Building
Shinagaw-Ku. Tokyo

Group Introduction

Introduction – Factories & Offices

- 2017 ○ Japan office launch in Meguro.
- 2016 ○ Singapore office launch in Raffles Place and Kunshan factory with estimate 60,000 m² land area.
- 2015 ○ ISO17025 in-house laboratory was certified by TUV.
- 2011 ○ Sunstrong obtained SGS ISO/TS16949 and ISO13485 certification.
- 2008 ○ Sunstrong awarded “Employee-Approving Enterprise” .
- 2007 ○ Gaoli factory was established in Dongguan, Guangdong. SIL was approved by COC of HP and Ericsson.
- 2005 ○ Sunstrong obtained DNV ISO9001 and ISO 14001 certification, refined RoHS management policy, and purchased ICP, GC-MS and different kinds of testing equipments.
- 2004 ○ Dong Guan Yilisha Hardware & Plastic Products Co., Ltd was founded in Dongguan, Guangdong.
- 2003 ○ Shenzhen Shun Yue Industrial Ltd was founded in Song Gang, Shenzhen and obtained qualification of Sony Green Partner.
- 2002 ○ Application of Lead free manufacturing process.
- 2001 ○ RoHS has first applied in Sunstrong by the request of our Japanese customers Panasonic and NEC.
- 1998 ○ Sunstrong obtained TUV ISO9001 certification.
- 1994 ○ Headquarter factory was set up in 1994 in Dongguan, Guangdong
- 1984 ○ Sunstrong International Industrial Ltd. was founded in Hong Kong

YILISHA®

Subsidiary Of Sunstrong Group

Yilisha Dong Guan, Subsidiary Of Sunstrong International Group, aim to provide most cost effective solution to achieve better quality with vertical Integration and automation.

We have below machines to assist us in achieving that:

- Die Casting Machine
- CNC Machine
- Stamping Machine
- Sheet Metal Production line
- Surface Treatment Production line

◀ Telecommunication

▶ Household Appliance

◀ Medical Equipment

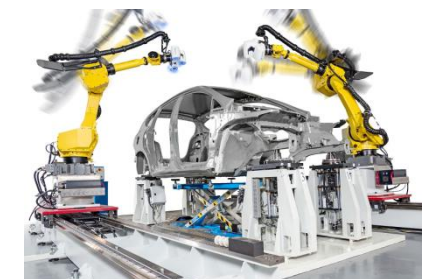

▶ Energy

Lighting Equipment ◀

▶ Aerospace

▶ Automotive

CNC Milling Machines :

Max Dimensions: 1000 x 490 x 610mm

CNC Lathing Machines:

Within Φ 50 mm, max single: Φ 110mm

Equipment	Brand	Quantity
CNC Milling Machine	LG Mazak(Japan)	200 Sets
CNC Lathing Machine	Miyano(Janpan) Tsugami(Japan)	150 Sets
		Total : 350 Sets

Facilities

Stamping Workshop

YILISHA®

Stamping Machines: Max Dimensions:

420 x 300 x 3mm. Tolerance:0.02mm

Equipment	Description	Quantity
CNC Punch Machine	A-T14IZE、 A-T21IZE、 TCS2A VTC-160AN、 TV-510、 VMC-125	169 Sets
Stamping Machine	10T-200T	54 Sets
		Total : 223 Sets

Facilities

Die Casting

YILISHA®

Equipment	Description	Quantity
Central/Melting	1 T/H	1 Set
	0.5 T/H	1 Set
UBE DC Machine for Aluminium	250 T	2 Sets
	350 T	4 Sets
	530 T	1 Set
	670 T	2 Sets
	850 T	1 Set
EG DC Machine for Zinc	88 T	1 Set
	130 T	2 Sets
		Total : 15 Sets

Facilities

Sheet Metal

YILISHA®

Sheet Metal Products Application :

Fireplace, Heat Exchange, Switch Cabinet, Information Terminals, High-voltage Electric box

Equipment	Brand	Quantity
Laser Cutting	Trumpf(German)	1 Set
NCT Machine	Prima Power(Finland)	5 Sets
Press-in Machine	Prima Power(Finland)	8 Sets
NC-Bending	Prima Power(Finland)	4 Sets
NC-Bending	Accurpress(USA)	10 Sets
		Total : 28 Sets

Facilities

Mould Tooling

YILISHA®

Manufacturing Capability:

Injection Mould, Die-casting mould and Stamping mould.
Precision:0.002mm.

Equipment	Brand	Quantity
Electro Discharge Machine	Charmilles	7 Sets
Wire Electrode Cutting	Fanuc	8 Sets
Surface grinding Machine	SSG	6 Sets
Milling Machine	Kent	4 Sets
		Total : 25 Sets

Facilities

Surface Treatment

YILISHA®

Electroplating

Powder Coating

Painting

Equipment	Quantity
Manual Sand Blasting Line	2 Sets
Automatic Sand Blasting Line	1 Set
Painting	2 Sets
Electroplating	5 Sets
Total : 10 Sets
